

## Core Cutter (Temp)

Make an impact at Canada's premier mining company.

When you advance your career at Coeur, you are joining a Canadian-focused intermediate gold mining company engaged in the operation, development and exploration of mineral properties. Our mission is to be a leading intermediate gold producer, driving responsible and profitable mining in a way that creates sustainable value for our employee, shareholders, the communities in which we live and work and our environment. To learn more about New Gold, visit our website at [www.newgold.com](http://www.newgold.com). To learn more about our culture and people practices, visit the [Career page](#).

Coeur attracts and hires highly skilled individuals. By joining our team, you can look forward to:

- A stimulating values-based work environment
- A culture of collaboration and inclusion
- Inspiring colleagues and approachable leaders
- Career development opportunities
- A deeply rooted commitment to responsible mining, health and safety and community engagement
- A competitive total compensation program

### New Afton Mine

Situated 10 kilometers west of Kamloops, British Columbia, the New Afton Mine is an underground gold and copper producing site. Kamloops is a city of 90,000 people, located 350 kilometers east of Vancouver. The area provides the opportunity to live and work in a vibrant community with its own university and within easy reach of world class ski resorts, championship golf courses, mountain biking trails, popular recreational lakes and award-winning vineyards.

### About the Role

**Schedule:** 7 days on, 7 days off (Day shift only)

**Position Reports To:** Exploration Supervisor

**Duration:** This position is anticipated to be a 12-month Temporary role, however it may be extended as per operational requirements.
